STUDENT + CARING ADULTS = POSITIVE OUTCOMES

2017-2018 IMPACT REPORT

Communities In Schools of Delaware (CISDE) has been serving our state since 1992 and is our largest, most effective, dropout prevention organization dedicated to empowering students to stay in school, graduate, and achieve in life.

"ALL In For Kids!"

92% of Seniors Graduated (case-managed students)

- CIS AFFILIATES
- SITE COORDINATORS
- COLLABORATIVE PARTNERS

Case-managed students are students who receive one-on-one or group services that are tailored specifically to meet their needs, and their progress is monitored weekly. The services may include academic support and enrichment, counseling, mentoring, helping their families find a safe place to live, acquiring health care, etc.

Post-secondary pursuits of graduated seniors:

- 71% - post-secondary education
- 21% - entered workforce
- 5% - joined the armed forces
- 3% - other
